

1. I listen to K-LOVE during my commute to/from work most days on the radio and it helps to get me centered for my day.
 2. If K-LOVE were displaced by an LPFM broadcaster, it would negatively impact the Denver metro area as well as cities across the nation.
 3. K-LOVE does a great deal to support worthwhile causes and promote values, which seem to be lacking in today's society.
- Please don't allow this injustice to occur. Thank you.
